CIRCLE MASTERS FLYING CLUB MEETING for October 2025

The October Circle Masters flying club meeting was held October 4th, 2025, at our flying field. The meeting started at 1:03pm and ended at 1:41pm, with fourteen people including three visitors in attendance.

REPORTS and ANNOUNCEMENTS:

The Milwaukee RC Association Swap Meet is happening and is scheduled for Sunday January 25th 2026.

Touch a Truck Program came off well with around thirty kids getting a chance to fly control line. The event closed at 1:00pm, and the event will run again next year.

Maker Faire is being held November 8th and 9th 2025. Volunteers are needed.

OLD BUSINESS:

None

NEW BUSINESS:

There was a presentation and discussion on Pete's idea of changes that can be made to the club, and it was decided to put off further discussion and plans to a later date.

There will be an auction after the meeting on John Valasek Sr's model airplane stuff, which was donated to the club by John Jr. The proceeds will go to John's mom. It looks like John Sr's airplanes and equipment will be in use for years to come.

WEB BUSINESS

The website is in the process of being updated for next year.

UPCOMING EVENTS:

The Collecto is next Saturday, October eleventh.

John Schram

Secretary

I didn't know that.

It's not my fault.

I wasn't informed.

It wasn't my responsibility.

I don't know what happened to those funds.

I don't know what happened to those funds either.

I will form a task force to solve the problem.

Maybe it is waiting for an update.

I didn't do that either.

I wasn't there.

It must have been replaced.

That has been deferred.

I'll get right on that.

Someone else must have done it.

I'll check into it.

Vote this November and help reelect John Schram Secretary for 2026.
